

TERANG EQUINE DENTAL WEEK

Mon 20 – Frid 24 August 2018

Terang Harness Track 331 Dalvui Lane, Terang

Does your horse need a dental?

Is your horse tossing his head, pulling to one side, resisting the bridle/bit, becoming nervous, Lunging, rearing or just generally unsettled? The cause may be his teeth!

Southwest Equine is now working with Terang & Mortlake Veterinary Clinic. To celebrate this union we are holding our first Equine Dental Week!

Plus on Wednesday 22 August between 11 am – 2 pm we are offering free lameness examinations as part of our demonstration. The demonstration includes: in the field radiographs, scoping of the respiratory tract and ultrasound scanning.

Limited places available!

To secure your appointment call Terang Veterinary Clinic on 5592 2111

Special offer

\$100*

per horse

Vaccination & worming
can also be done on
the day.

*Price excludes additional costs required for extractions or radiographs if required.
